

Christian Zeidlhack is the new Chief Market Officer at WITTENSTEIN SE

On July 1, 2025, the graduate industrial engineer and economist became a member of the Management Board of WITTENSTEIN SE.

Christian Zeidlhack most recently headed the industrial business for the Europe region at Schaeffler AG. As Chief Market Officer (CMO) at WITTENSTEIN, he reports directly to CEO Dr. Bertram Hoffmann.

Mr. Zeidlhack studied industrial engineering (with a focus on product development) at the Hamburg Fern-Hochschule and business administration at the University of Stuttgart-Hohenheim. He began his professional career at the Daimler Group and joined the Schaeffler Group in 2007. There, he took on various management positions starting in 2014, some of which were abroad.

“With Mr. Zeidlhack, we have gained a Member of the Management Board who brings with him a wide range of experience, including international experience, has an excellent network and stands for absolute excellence in sales,” says Dr. Bertram Hoffmann, CEO of WITTENSTEIN SE.

As of July 1, 2025, the Management Board of WITTENSTEIN SE is composed as follows: Dr. Bertram Hoffmann (CEO), Dr. Benedikt Hofmann, Erik Roßmeißl and Christian Zeidlhack.

WITTENSTEIN – one with the future

With around 2800 employees worldwide and sales of € 498 million in 2023/24, WITTENSTEIN SE enjoys an impeccable reputation for innovation, precision and excellence in the field of cybertronic motion – not just in Germany but internationally. The group possesses exceptional expertise for the mastery and further development of all technologies relevant to mechatronic drives and comprises six innovative Strategic Business Divisions. We develop, produce and sell products such as high-precision servo drives and linear systems, servo systems and motors as well as cybertronic drive systems for many areas of application including machine and plant construction, aerospace or oil and gas exploration. Nanotechnology and software components round off the portfolio. With 25 sites in more than 45 countries, the WITTENSTEIN group (www.wittenstein.de) is represented in all major technology and sales markets.
